

Letter of Support: NAC Artist Protestors

The Naledi Theatre Awards stand in solidarity with the artists, who for 43 days, have staged a sit-in at the National Arts Council.

We salute the sacrifices they've made to champion the cause of all South African Artists - to be the Voice of the many Voiceless creatives who have experienced the hardships of the Covid-19 Pandemic.

We stand together with them to demand accountability from The National Arts Council for the mismanagement of the Artist Covid Relief Fund.

Further to this message of support, the Naledi Theatre Awards will be making a donation to our brothers and sisters in the Arts occupying the NAC Offices. We urge all South Africans to stand behind this invaluable cause and to contribute and make a difference - in whichever form, being financial donations and/or provisions for the artists.
